FY2027 CAPITAL EXPENDITURE (CAPEX) FORECAST

Prepared by: Office of FP&A
Date: October 2026

1. OVERVIEW & STRATEGIC PRIORITIES
The FY2027 capital budget allocates $12,400,000 across core compute, storage, edge nodes, and disaster recovery infrastructure.

2. COMPUTE & ACCELERATORS ($6,200,000)
Procurement of next-generation tensor clusters for on-premise RAG model fine-tuning and inference pipelines.

3. NETWORKING & RESILIENCE ($3,100,000)
Redundant dark fiber interconnects and zero-latency campus fabric upgrades across North America and Europe data hubs.

4. CONTINGENCY & APPROVAL LIMITS
A 10% contingency reserve ($1,240,000) is held under CFO direct delegation authority.
